

# MULTIMEDIA ASSIGNMENT

## FEATURE 1

### Keyboard Navigation

- STEP 1:** In order for a multimedia assignment to be fully accessible, it needs to be able to be navigated by the keyboard.
- STEP 2:** Each program has different directions for this setup.
- STEP 3:** To determine if a program is already accessible by keyboard, you can use the TAB button to try and navigate. When setting up keyboard navigation be sure to use common keyboard commands for easy navigation.
